Who is Anh Wu?

Anh Wu is a Financial Officer at Core Dental. Our team page places Anh Wu in our Group Management team, which works across the whole group rather than at a single clinic. Anh Wu does not provide dental treatment, so there are no clinical qualifications to list and no registration to check. We do not publish further personal details, and we keep this page to the role as it appears on our team page.

What does Group Management do at Core Dental?

Group Management is a group-wide team rather than a single clinic team. The members listed on our team page are:

Anh Wu, Financial Officer

Emily Pitcher, Chief People Officer

Melissa Crozier, Marketing Manager

Johanna San Martin, Group Facilities Manager

Our team page also lists clinical management, including Vanessa Spooner, General Manager and Alana Beck, Clinical Operations Manager . You can read about the clinicians who treat you on our dentists and registered specialists page.

Where will you meet our team?

Anh Wu works with our Group Management team and is not based at a patient-facing reception desk. When you visit Core Dental, you will usually meet our reception team, nursing team and clinicians at your local practice. You can find the practice nearest to you in our site directory , which links to all nine locations: Southbank, South Melbourne, Caroline Springs, Carrum Downs, Epping, Wyndham, Berwick, Bayside and Glenferrie.

Who should you contact about fees and payment?

For questions about a quote, a payment plan or a health fund claim, please call our team on 13 13 16 or speak to the reception team at your practice. They can explain the quote we provide before treatment starts and the payment options we offer. You do not need to contact Group Management

directly for these questions.

How do payment plans and health fund claims work?

We quote before treatment starts so you know what to expect. We offer interest-free Payright plans with 0% interest, fortnightly instalments over 3 to 30 months, for plans up to $20,000. Payright is subject to eligibility and approval: you need to be 18 or over, an Australian permanent resident, have ID and have a verifiable email and mobile number. TLC personal loans from $2,001 to $50,000 over up to 84 months are also available, with the rate set by credit assessment. HICAPS claiming is available on-site, and we bulk bill eligible children under the Child Dental Benefits Schedule.

What should you ask before you start treatment?

Before any treatment starts with one of our dentists or specialists, you can ask:

What do you recommend, and what is it intended to achieve?

Are there other options, and what are the risks and limits of each?

How many visits will it take, and what will it cost?

What care will I need afterwards?

We provide a written treatment plan and quote before treatment starts, and results vary for each individual.
