The Chief People Officer is a group management role responsible for our people. At Core Dental that means the human resources side of the group, which supports the dentists, specialists, hygienists, reception, nursing and management teams who work in our clinics. Emily does not see patients, so questions about treatment, appointments or fees should go to your clinic or to our group line on 13 13 16.

How can you see a dentist or specialist at Core Dental?

You do not need to go through group management to make an appointment. Call 13 13 16 or book online through coredental.com.au and tell us what you would like help with. We have nine clinics across Melbourne: Southbank, South Melbourne, Caroline Springs, Carrum Downs, Epping, Wyndham, Berwick, Bayside and Glenferrie. Our dentists and registered specialists page introduces the clinical team, and you can check the registration of any dentist or specialist on the public AHPRA register at ahpra.gov.au.

What should you ask before treatment?

When you book, explain your concern, symptoms, timing and what you hope to achieve, and bring relevant medical information and a list of your current medicines. At your appointment you may wish to ask what the recommended approach is intended to achieve, whether there are reasonable alternatives, what preparation and aftercare involve, and what risks or limitations apply. Ask for a written treatment plan with the stages, expected appointments and cost before you proceed.

How do payment plans work at Core Dental?

At Core Dental we quote before treatment starts, so you can see the proposed treatment and cost before you decide. We offer interest-free payment plans through Payright: 0% interest, fortnightly instalments over 3 to 30 months, for plans up to $20,000. To apply you need to be 18 or over, an Australian permanent resident, with ID and a verifiable email address and mobile number, and approval is subject to eligibility. TLC personal loans are also available for amounts from $2,001 to $50,000 over up to 84 months, with the rate set by credit assessment. HICAPS on-site claiming is available at our practices.
