Dentist in Berwick | Core Dental Berwick

Canonical: https://www.coredental.com.au/locations/berwick/

Details:

Core Dental Berwick is our family-owned dental clinic at Shop 29, 1 O'Shea Rd, Berwick VIC 3806, within Eden Rise Village in Berwick's heritage town centre. We have served the Berwick community for over a decade, providing general, cosmetic, orthodontic, children's, implant and emergency dentistry. We are open Monday to Friday 8.00am to 6.00pm and Saturday 8.00am to 1.30pm. Call us on (03) 9132 4160 or book online. Treatment suitability and results vary for each person.

Where is Core Dental Berwick?

Our practice is at Shop 29, 1 O'Shea Rd, Berwick VIC 3806, in Eden Rise Village. We sit in the heart of Berwick's heritage town, close to major retailers, specialty stores, medical centres, cafes and restaurants, so a dental visit fits easily around shopping, school pick-ups and work. Eden Rise Village is on the corner of Clyde Road and O'Shea Road, with all of its shops on one accessible level.

We care for families and individuals from Berwick, Narre Warren, Officer, Pakenham, Beaconsfield and the wider Casey region. Our team has been part of the Berwick community for over a decade, and we aim to build long-term relationships with the families we see.

What are our opening hours at Berwick?

We are open six days a week.

Day	Hours
Monday	8.00am to 6.00pm
Tuesday	8.00am to 6.00pm
Wednesday	8.00am to 6.00pm
Thursday	8.00am to 6.00pm
Friday	8.00am to 6.00pm
Saturday	8.00am to 1.30pm
Sunday	Closed

Our weekday hours run until 6.00pm, which suits after-school and after-work appointments, and our Saturday morning appointments suit busy households. We reserve emergency appointments each day, but access depends on clinician capacity and the nature of the problem, so please call us on (03) 9132 4160 to confirm. We also schedule extended appointments for complex or comprehensive care, so you are not rushed.

Call 000 immediately for uncontrolled bleeding, trouble breathing or swallowing, a serious facial injury or other life-threatening symptoms. Do not wait for a dental appointment in these situations.

How do you get to us, and where can you park?

If you drive, Eden Rise Village has plenty of free parking. By public transport, the 836 and 846 buses come to Eden Rise and connect through to Berwick Station, stopping at the Eden Rise Village SC/Clyde Rd stop. Berwick Station is about 2.5 kilometres away. The centre has all of its shops on one accessible level. If you have questions about access to the practice or would like help planning your arrival, call us on (03) 9132 4160 and our team will talk you through it.

What is inside our Berwick practice?

Equipment at our Berwick practice includes Zoom whitening units, and we provide sleep dentistry with IV sedation for patients who feel anxious about dental treatment.

Across our practices the standard surgery fit-out includes Anthos dental chairs, digital X-rays and intraoral cameras in each surgery, ceiling-mounted screens with streaming during treatment, a Sonos audio system and HICAPS for on-the-spot health fund claiming. Comfort touches include warm blankets during treatment, water in the waiting area and artwork. We designed our clinics as a calm, welcoming space that helps reduce dental anxiety.

Which dentists and specialists work at our Berwick practice?

Our Berwick team is made up of general dentists, a specialist paediatric dentist, a dental hygienist and therapist, and our nursing and reception team. Peer review and case discussion between our practitioners is part of how we plan treatment.

Team member	Role	Qualifications
Dr Ivy Jin	General Dentist	BHSc (La Trobe), MDent (La Trobe)
Dr Chelsea Nguyen	General Dentist	BHSc (Dent), MDent (La Trobe)
Dr Kirandeep Kaur	General Dentist	BDS (ADC)
Dr David Mirmilstein	General Dentist	BHSc, MDent (La Trobe)
Dr Sarah Scott	Specialist Paediatric Dentist	BBiomedSci (Hons), BDent (Syd)
Isabelle Sayers	Dental Hygienist and Therapist	BOH (Melb)

Kayla Vella is our Nursing Coordinator and Jazmin Anson is our Senior Receptionist at Berwick.

Dr Sarah Scott, our Specialist Paediatric Dentist, attends on Mondays and Thursdays each week, and also performs general anaesthetic sessions one week in four. Specialist availability is limited and can change, so please confirm the next available session when you book. Our team changes over time, so ask who will provide your care when you make your appointment. You can check any practitioner's registration on the AHPRA register at ahpra.gov.au.

Which languages do we speak at Berwick?

Alongside English, clinicians at our Berwick practice speak Mandarin, Punjabi and Vietnamese. Ask us when you book if you would prefer to be seen by a clinician who speaks a particular language. We aim to give clear, pressure-free advice that is shaped around your health goals.

Which treatments can you have at Berwick?

We offer the following at our Berwick practice:

General dentistry : check-ups and cleans, hygiene appointments, fillings and restorations, root canal therapy, tooth extractions including wisdom teeth removal, and sport mouthguards

Emergency dentistry , with appointments reserved each day

Cosmetic dentistry : composite and porcelain veneers, teeth whitening, dental crowns and smile makeovers

Wedding smile packages, which typically include whitening, any necessary cosmetic work and touch-ups closer to your big day

Orthodontics : Invisalign clear aligners and ceramic braces

Dental implants , including All-on-4 implants

Children's dentistry , including a specialist paediatric dentist supported by our oral health therapists

Sleep dentistry with IV sedation

TMJ therapy and full mouth rehabilitation

Whether a treatment suits you depends on an examination, your dental and medical history and, where relevant, imaging. Your dentist will explain the alternatives, the material risks, what recovery and maintenance involve and the expected cost before treatment begins.

How do payment plans, health funds and the Child Dental Benefits Schedule work at Berwick?

We avoid surprises by giving you a written treatment plan and a quote before treatment starts. Fees depend on clinical complexity, treatment time, materials and the treating clinician, so the figures below are guides only. They were published by us as at September 2026, so please confirm the current price and what it includes before you book.

New Patient Welcome Pack, $175: comprehensive oral examination, soft tissue and gum check, oral cancer screening, intraoral radiographs and photos, and a treatment plan with quotation. An OPG, if required, is $130 extra.

New Patient Complete Exam and Clean, $295: comprehensive examination, extended scale and clean, intraoral X-rays, fluoride, plaque and stain removal, and a treatment plan.

No-Gap Check-Up and Clean: no out-of-pocket cost for new patients who hold private health insurance with dental cover. Your own level of cover determines what you can claim.

Check-up, Clean and Zoom Whitening, $750: examination, X-rays, scale and clean, plus a one-hour in-chair Zoom whitening session.

Check-up, Clean and Take-Home Whitening, $650: examination, X-rays, scale and clean, plus a custom take-home whitening kit.

For larger treatment we offer interest-free payment plans through Payright, for amounts up to $20,000 over 3 to 30 months with fortnightly repayments. Applicants need to be 18 or over, an Australian permanent resident with identification and a verifiable email address and mobile number, and approval

is subject to Payright's assessment. TLC personal loans from $2,001 to $50,000 over up to 84 months are also available, with the interest rate set by credit assessment. Finance terms, fees and eligibility can change, so please confirm the current written terms with us and with the provider before committing.

HICAPS claiming is available on-site, and we are a preferred provider for HCF, CBHS and NIB. We bulk bill eligible children under the Child Dental Benefits Schedule, which Services Australia makes available to eligible children between 0 and 17 years old. Eligibility is determined by Services Australia, so please confirm it before the appointment. We also see TAC and WorkCover patients, with payment required on the day and further appointments subject to approval.

What does our Berwick community mean to us?

Berwick has a heritage town centre and a growing mix of families, and we have been part of it for over a decade. We offer longer appointments for complex care, a specialist paediatric dentist for children, wedding smile packages for couples, and sedation options for people who find dental visits stressful. We focus on prevention and long-term care, and we give pressure-free advice so you can make decisions at your own pace.

Frequently asked questions

Do you offer longer appointments for complex treatments?

Yes. We schedule extended appointments for comprehensive care so you do not feel rushed. Tell us your concerns and goals when you book, and we will plan the time your treatment needs.

How far are you from Berwick train station?

Core Dental Berwick is about 2.5 kilometres from Berwick Station, and the 836 and 846 buses connect Eden Rise Village with the station. If you drive, on-site parking is available at Eden Rise Village.

Can you accommodate patients with dental anxiety?

Yes. We offer sleep dentistry with IV sedation and take extra time to help nervous patients feel comfortable. Your dentist will explain whether sedation suits you after an assessment of your medical history.

What is included in a wedding smile package?

Our wedding smile packages typically include whitening, any necessary cosmetic work and touch-ups closer to your big day. Your dentist will assess your teeth first and quote the package before treatment begins.

Are you a preferred provider for health funds?

Yes. We are a preferred provider for HCF, CBHS and NIB, and HICAPS claiming is available on-site. Your own level of cover determines what you can claim, so check your policy before you book.

Do you treat dental emergencies?

We reserve emergency appointments each day, so call us on (03) 9132 4160 as early as you can. Access depends on clinician capacity and the nature of the problem. For uncontrolled bleeding, trouble breathing or swallowing, or a serious facial injury, call 000.
