What is inside our Caroline Springs practice?

Alongside our treatment rooms we have a dedicated OPG (panoramic X-ray) room and dedicated orthodontic and paediatric suites. Having these spaces under one roof means many treatments, from a routine check-up to orthodontic care and children's visits, can happen in one place.

Our technology at this practice includes:

CEREC same-day crowns and restorations, with CAD/CAM digital milling

OPG (panoramic X-ray) imaging in a dedicated OPG room

iTero intraoral scanner

Digital smile design software, which lets us show you a preview of a proposed smile before significant cosmetic treatment starts

Zoom whitening units

Sleep dentistry with IV sedation for anxious patients

An Erkodent unit for making orthodontic appliances

Across our practices the standard surgery fit-out includes digital X-rays and intraoral cameras, ceiling-mounted screens with streaming during treatment, a Sonos audio system and HICAPS for on-the-spot health fund claiming. We designed our clinics to be a calm, welcoming space that helps reduce dental anxiety.

How do payment plans, health funds and the Child Dental Benefits Schedule work at Caroline Springs?

We avoid surprises by giving you a written treatment plan and a quote before treatment starts. Fees depend on clinical complexity, treatment time, materials and the treating clinician, so the figures below are guides only. They were published by us as at September 2026, so please confirm the current price and what it includes before you book.

New Patient Welcome Pack, $175: comprehensive oral examination, soft tissue and gum check, oral cancer screening, intraoral radiographs and photos, and a treatment plan with quotation. An OPG, if required, is $130 extra.

New Patient Complete Exam and Clean, $295: comprehensive examination, extended scale and clean, intraoral X-rays, fluoride, plaque and stain removal, and a treatment plan.

No-Gap Check-Up and Clean: no out-of-pocket cost for new patients who hold private health insurance with dental cover. Your own level of cover determines what you can claim.

For larger treatment we offer interest-free payment plans through Payright, for amounts up to $20,000 over 3 to 30 months with fortnightly repayments. Applicants need to be 18 or over, an Australian permanent resident with identification and a verifiable email address and mobile number, and approval is subject to Payright's assessment. TLC personal loans from $2,001 to $50,000 over up to 84 months are also available, with the interest rate set by credit assessment.

HICAPS claiming is available on-site, and we are a preferred provider for HCF, CBHS and NIB. We bulk bill eligible children aged 0 to 17 under the Child Dental Benefits Schedule. Eligibility is determined by Services Australia, so please confirm it before the appointment.
