We stay open until 6.00pm on weekdays, so after-school appointments for children and after-work appointments are possible. We reserve emergency appointments each day, but access depends on

clinician capacity and the nature of the problem, so please call us early. Hours and clinician availability can change, so confirm the time and the clinician you want to see when you book.

Call 000 immediately for uncontrolled bleeding, trouble breathing or swallowing, a serious facial injury or other life-threatening symptoms.

How do you get to us, and where can you park?

The car park at 230 Cooper Street, run by Ace Parking for the Northern Specialist Medical Centre, offers the first hour free, with paid parking after that, card payments only and mobility parking spaces. Please check the operator's signs for current rates.

By public transport, the Yale Dr/Cooper St bus stop is about 120 metres from the practice. Epping Station is about 2 kilometres away, so many patients connect by bus. Check the PTV journey planner for current routes and times.

Our practice is on the ground floor. If you would like help planning your arrival, call us on (03) 9401 4622 and our team will talk you through it.

What is inside our Epping practice?

We have four treatment rooms and a diagnostics room for OPG (panoramic) X-rays. Equipment at this practice includes:

CEREC same-day crowns and restorations, with CAD/CAM digital milling, so a permanent crown or filling can be designed, made and fitted in a single visit

Digital scanning

Laser dentistry

Sleep dentistry options, including IV sedation, for anxious patients

Across our practices the standard surgery fit-out includes Anthos dental chairs, digital X-rays and intraoral cameras in each surgery, ceiling-mounted screens with streaming during treatment, a Sonos audio system and HICAPS for on-the-spot health fund claiming. Comfort touches include warm blankets, water in the waiting area and curated artwork.

Which dentists and specialists work at our Epping practice?

Our Epping team is made up of general dentists, a specialist orthodontist, a specialist paediatric dentist, a prosthetist, a hygienist and therapist, and our reception team. Our practitioners use peer review and case discussion when planning treatment.

Which languages do we speak at Epping?

Alongside English, clinicians at our Epping practice speak Arabic, Dari, French, Spanish and Tamil. Ask us when you book if you would prefer to see a clinician who speaks a particular language.

Which treatments can you have at Epping?

We offer the following at our Epping practice:

General dentistry : check-ups and cleans, hygiene appointments, fillings and restorations, root canal therapy , tooth extractions including wisdom teeth , and sport mouthguards

Emergency dentistry , with appointments reserved each day

Cosmetic dentistry : veneers, crowns including CEREC same-day crowns, and teeth whitening

Orthodontics : braces and clear aligners including Invisalign . Clear aligners are removable, which suits people who play sport and wear a mouthguard

Dental implants

Children's dentistry , including a specialist paediatric dentist and bulk billing for eligible children

Sleep dentistry options for nervous patients

Laser dentistry

Whether a treatment suits you depends on an examination, your dental and medical history and, where relevant, imaging. Your dentist will explain the reasonable alternatives, the material risks, what recovery and maintenance involve and the expected cost before treatment begins.

How do payment plans, health funds and the Child Dental Benefits Schedule work at Epping?

We give you a written treatment plan and a quote before treatment starts. Published package prices are guides only and depend on clinical complexity, treatment time, materials and the treating clinician. The figures below were published by us as at September 2026, so please confirm the current price and what it includes before you book or pay.

New Patient Welcome Pack, $175: comprehensive oral examination, soft tissue and gum check, oral cancer screening, intraoral radiographs and photos, and a treatment plan with quotation. An OPG, if required, is $130 extra.

No-Gap Check-Up and Clean: no out-of-pocket cost for new patients who hold private health insurance with dental cover, covering examination, hygiene, X-rays, OPG, scale and clean, fluoride and oral cancer screening. Your own level of cover determines what you can claim.

New Patient Complete Exam and Clean, $295: comprehensive examination, extended scale and clean, intraoral X-rays, fluoride, plaque and stain removal, and a treatment plan.

Check-up, Clean and Zoom Whitening, $750: examination, X-rays, scale and clean, plus a one-hour in-chair Zoom whitening session.

Check-up, Clean and Take-Home Whitening, $650: examination, X-rays, scale and clean, plus a custom take-home whitening kit.

For larger treatment we offer interest-free payment plans through Payright , for amounts up to $20,000 over 3 to 30 months with fortnightly repayments and fees set by Payright. Applicants need to be 18 or over, an Australian permanent resident with identification and a verifiable email address and mobile number, and approval is a matter for Payright. TLC personal loans from $2,001 to $50,000 over up to 84 months are also available, with the interest rate set by credit assessment and eligibility requiring employment with an income of at least $25,000 a year. Supercare arranges early release of superannuation for dental treatment, with no credit check. Finance terms can change, so confirm the current written terms with us and the provider before committing.

HICAPS on-the-spot claiming is available at our Epping practice, and we have been listed as a preferred provider for HCF, CBHS and NIB. We bulk bill eligible children aged 0 to 17 under the Child Dental Benefits Schedule. Services Australia determines eligibility, so please confirm it before the appointment. TAC and WorkCover patients are accepted, with payment required on the day and further appointments subject to approval.

How does our Epping practice serve the local community?

Epping sits in Melbourne's northern growth corridor, where families and professionals are settling in growing numbers. We open early and on Saturdays, stay open until 6.00pm on weekdays for after-school visits, and offer sleep dentistry options for people who feel nervous about the dentist. We focus on honest, transparent advice and prevention, so you can make decisions at your own pace.

Frequently asked questions

Do you have after-school appointments for children?

Yes. We are open until 6.00pm Monday to Friday, which suits working parents and school-aged children. We bulk bill eligible children under the Child Dental Benefits Schedule, and our specialist paediatric dentist sees children on set sessions.

How close are you to Epping train station?

We are about 2 kilometres from Epping Station, and the Yale Dr/Cooper St bus stop is about 120 metres away. If you prefer to drive, the car park at 230 Cooper Street offers the first hour free.

How do CEREC crowns work?

CEREC technology lets us design, make and fit a permanent crown or filling in a single visit. Your dentist will first assess whether it suits your tooth. Suitability and results vary for each person.

Can I have clear aligners in Epping if I play sport?

Clear aligners are removable, so many people who play sport can take them out and wear a mouthguard. An orthodontist or dentist will assess whether aligners suit you before treatment begins.

Do you offer sedation for anxious patients?

Yes. We provide sleep dentistry options, including IV sedation, for nervous patients. Your dentist will discuss whether an option suits you, along with the risks, before treatment.
