Alessio Pecorella, Dental Prosthetist | Core Dental

Canonical: https://www.coredental.com.au/our-team/alessio-pecorella/

Details:

Alessio Pecorella is a Dental Prosthetist at Core Dental, and he holds an Advanced Diploma in Dental Prosthetics. He works at our Carrum Downs practice and is fluent in English and Italian, which helps him communicate with Italian-speaking patients. Dental prosthetists focus on dentures and related removable dental appliances, and Alessio works alongside our dentists and specialists as part of our team across Melbourne.

Who is Alessio Pecorella?

Alessio is a member of our clinical team and is listed on our team page as a Dental Prosthetist with an Advanced Diploma in Dental Prosthetics. He completed his Advanced Diploma at RMIT, the Royal Melbourne Institute of Technology. At Core Dental we select team members for their caring attitudes, competence and commitment to professional development, and we use the combined knowledge of our dentists, specialists and prosthetists when planning treatment.

What does a dental prosthetist do?

A dental prosthetist is a registered dental practitioner who works with dentures and related appliances that replace missing teeth. They assess your needs, take impressions or records, and make, fit and adjust prosthetics in consultation with your dentist where this is needed. A dental prosthetist is not a dentist or a specialist, so treatment such as extractions, implants or gum care is provided by our dentists and registered specialists. If you would like to discuss what Alessio can help with, please ask our reception team when you book.

Where do we see Alessio?

Alessio is based at our Carrum Downs practice, at 335 Ballarto Rd, Carrum Downs. You can reach the practice on (03) 8373 1555 or through our group number, 13 13 16. The practice is on the ground floor and has on-site parking. Please call ahead to confirm when Alessio is available, because appointment days can change.

Which languages does Alessio speak?

Alessio speaks English and Italian. If you would prefer to speak Italian during your visit, please let our team know when you book and we will try to match your request, subject to availability.

How can you check a practitioner's registration?

Registered dental practitioners in Australia, including dental prosthetists, are listed on the public register run by AHPRA, the Australian Health Practitioner Regulation Agency. You can search the

register at ahpra.gov.au to confirm a practitioner's registration, any conditions and their registered division. Core Dental encourages you to check the register for any practitioner you see.

What should you ask before treatment?

Before any treatment starts, ask what the recommended approach is intended to achieve, whether there are reasonable alternatives, what preparation and aftercare are involved, and what risks and limitations apply. We provide a written treatment plan and quote before treatment starts, so you can compare stages, appointments and payment arrangements. We offer interest-free payment plans through Payright for amounts up to $20,000 over 3 to 30 months, subject to eligibility and approval, as published in September 2026, and HICAPS claiming is available on-site.

Which colleagues work alongside Alessio?

Dental prosthetists at Core Dental work with other members of the team. Our dental technicians and ceramists support the making of prosthetics, and our dentists oversee overall care. You can meet colleagues on our team pages, including Ahmed Saoud , who is also a Dental Prosthetist, and Agne Diliartaite , a Senior Dental Technician. You can also visit our dentists and registered specialists page.

Frequently asked questions

What is Alessio Pecorella's role at Core Dental?

Alessio is a Dental Prosthetist at Core Dental, with an Advanced Diploma in Dental Prosthetics. He works with dentures and related appliances as part of our clinical team.

Where does Alessio work?

Alessio is based at our Carrum Downs practice. Call (03) 8373 1555 or 13 13 16 to ask about appointment availability.

Does Alessio speak Italian?

Yes. Alessio is fluent in English and Italian, and he is happy to help Italian-speaking patients.

Do I need to see a dentist first?

Please contact us and tell us what you need. Our team will advise whether you should begin with a dentist, a prosthetist or both, depending on your situation.

How do I check Alessio's registration?

Search for his name on the public national register of health practitioners, which lists registration status, division and any conditions. The register link is in the section above on checking registration.
