When you book, tell our reception team what you would like to discuss, and we will let you know which appointment suits you. Availability varies by practice and day, so please confirm when you call.

What should you ask before treatment?

Before you agree to treatment, we suggest you ask:

What is the diagnosis, and what are the options, including doing nothing?

What are the likely benefits, risks and limits of each option?

How many visits will it take, and what will each visit involve?

What will it cost, and can we give you a written quote before treatment starts?
