## Details:

Dr Sarah Scott is a Specialist Paediatric Dentist at Core Dental, with BBiomedSci (Hons), BDent (Syd) listed on our team page. We see children with Dr Sarah Scott at Core Dental Berwick . Our team page lists Dr Sarah Scott among our board-registered specialists, and you can check any practitioner on the AHPRA register at ahpra.gov.au. To book, call 13 13 16 or book online through coredental.com.au.

## Who is Dr Sarah Scott?

Dr Sarah Scott is part of the Core Dental team of dentists, specialists and hygienists who provide dental care across our nine Melbourne clinics. On our team page, Dr Sarah Scott is listed as a Specialist Paediatric Dentist with the qualifications BBiomedSci (Hons), BDent (Syd). That means Dr Sarah Scott holds a Bachelor of Biomedical Science with Honours, BBiomedSci (Hons), and a Bachelor of Dentistry, BDent, from the University of Sydney.

As a Specialist Paediatric Dentist, Dr Sarah Scott focuses on the dental care of children. At Core Dental we work alongside our oral health therapists and general dentists, so that families can arrange care for children and parents at the same practice where it suits them.

## What care can children have with Dr Sarah Scott?

Our paediatric dentists see children at the practices listed below. Our specialist paediatric dentistry service and our children's dentistry service cover the care we offer for children. Eligible children may be bulk billed under the Child Dental Benefits Schedule (CDBS) at our practices; ask when you book. Your child's treatment options are explained after an examination.

## Where do we see Dr Sarah Scott?

Dr Sarah Scott works with us at Berwick. Specialist availability is limited and can change, so please confirm the next available session when you book.

| Clinic | Address | Phone | Email |
|---|---|---|---|
| Core Dental Berwick | Shop 29, 1 O'Shea Rd, Berwick VIC 3806 (Eden Rise Village) | (03) 9132 4160 | berwick@coredental.com.au |

At Core Dental Berwick, Dr Sarah Scott sees patients Mondays and Thursdays every week, with general anaesthetic sessions one week in every four.

These sessions are as recorded by our practices and may change.

Our clinics are open Monday to Friday 8.00am to 6.00pm and on Saturday mornings, and closed on Sunday. A practitioner may not be at a clinic on every day it is open.

## How can you check Dr Sarah Scott's registration?

Dentists and specialists in Australia must be registered with the Dental Board of Australia, and the public register is held by AHPRA. To check Dr Sarah Scott, go to ahpra.gov.au, choose the Register of practitioners, and search by name. The register shows registration type and any conditions on practice. If you have any questions about a title or registration, our team can help at 13 13 16.

## What should you ask before treatment?

Before any treatment starts at Core Dental, we encourage you to ask:

What is the diagnosis, and what are my options, including doing nothing for now?

What are the risks, limitations and expected recovery for each option?

How long will treatment take, and how many visits are needed?

What will it cost, and can I have a written quote before treatment starts?

Which practitioner will carry out each step, and at which clinic?

Bring any medical information and a list of current medicines. Recommendations depend on an individual examination.

## How do you book with Dr Sarah Scott?

Call 13 13 16 and our team will find a time at Core Dental Berwick, or book online through coredental.com.au. Please say that you would like to see Dr Sarah Scott so we can check availability and the next specialist session. Our clinics are open six days a week.

## How do payment plans work at Core Dental?

We quote before treatment starts and offer interest-free payment plans so you can spread the cost of care over time. Two options we list are Payright and TLC. Payright is 0% interest with fortnightly instalments over 3 to 30 months, for plans up to $20,000; you must be 18 or over, an Australian permanent resident, and have ID and a verifiable email and mobile. TLC covers $2,001 to $50,000 over up to 84 months, with the rate set by a credit assessment. Figures were published as at September 2026 and should be confirmed with our team. We also offer HICAPS on-site claiming. See our dental payment plans page.

## Who are Dr Sarah Scott's colleagues?

## Frequently asked questions

### *What is a Specialist Paediatric Dentist?*

A Specialist Paediatric Dentist is a registered dentist with additional postgraduate training who focuses on the oral health of children. At Core Dental, Dr Sarah Scott is listed on our team page as a Specialist Paediatric Dentist. You can confirm any practitioner's registration on the national public register of health practitioners, as described above.

### *Does my child need a referral to see Dr Sarah Scott?*

Please call 13 13 16 or your Core Dental practice and our team will explain how to arrange an appointment. Specialist sessions are limited and can change, so we confirm the next available session when you book rather than assume a day.

### *Can eligible children be bulk billed at Core Dental?*

Eligible children aged 0 to 17 may be bulk billed under the Child Dental Benefits Schedule (CDBS) at our practices. Eligibility is set by the Australian Government, so please ask our team when you book and bring your Medicare details.

### *What if my child feels anxious about the dentist?*

Tell us when you book so we can plan the visit. Our children's dentistry page explains how we approach children's care, and our team can discuss the options that may suit your child after an examination.

### *Can Dr Sarah Scott be seen at more than one Core Dental practice?*

Dr Sarah Scott is listed with Core Dental Berwick. Confirm the next session when you book.
