Who is Dr Steven Smith?

Dr Steven Smith is a Specialist Orthodontist and part of our team of dentists, specialists and hygienists. Our team page lists the qualifications as BDSc (Hons) and MDSc (Ortho) (Qld). Our team page does not list personal details beyond this, so for any specific question about the type of orthodontic care Dr Smith provides, please ask our reception team when you book or ask at your consultation.

What orthodontic care can you ask about?

Orthodontic care at Core Dental covers a range of options, and which one suits you depends on your examination, records and goals. Our orthodontic pages describe orthodontic braces , Invisalign treatment , internal lingual braces and children's braces and Invisalign . You can read about the specialty on our orthodontist page. Results vary for each person, and your orthodontist will explain the risks, the likely length of treatment and the care that follows.

Where do we see Dr Steven Smith?

Dr Steven Smith is listed on our team page as one of our Specialist Orthodontists. Specialist orthodontic sessions are held at selected Core Dental practices, and session days can change. Please call 13 13 16 and our team will tell you which practice and day suits you. Our practices are open Monday to Friday 8.00am to 6.00pm and Saturday 8.00am to 1.30pm, and you can find your nearest practice on our site directory .

How can you check a specialist orthodontist's registration?

Registered dentists and specialists are listed on the AHPRA register at ahpra.gov.au. Search by name and look at the registration type: a Specialist Orthodontist holds specialist registration in orthodontics with the Dental Board of Australia. The register also shows any conditions on a practitioner's registration. If you would like help finding the right entry, our team can tell you the name under which Dr Smith is registered.

What should you ask before orthodontic treatment?

Before treatment starts you can ask:

What do you recommend for my teeth and bite, and what is it intended to achieve?

Are there other options, and what are the risks and limits of each?

How long is treatment likely to take, and how many visits will I need?

What will it cost, and what care is needed afterwards, such as retainers?

We provide a written treatment plan and quote before treatment starts, and results vary for each individual.

How do payment plans and health fund claims work?

We quote before treatment starts so you know what to expect. We offer interest-free Payright plans with 0% interest, fortnightly instalments over 3 to 30 months, for plans up to $20,000. Payright is subject to eligibility and approval: you need to be 18 or over, an Australian permanent resident, have ID and have a verifiable email and mobile number. TLC personal loans from $2,001 to $50,000 over up to 84 months are also available, with the rate set by credit assessment. HICAPS claiming is available on-site, and we bulk bill eligible children under the Child Dental Benefits Schedule.
