Details:

Georgie Plane is a Senior Reception Coordinator at Core Dental Carrum Downs, and is listed on our team page as part of our senior reception group. Our reception teams are usually the first people you speak to when you call or visit, and they help with booking, arrival and payment questions. You can reach our Carrum Downs team on (03) 8373 1555 or through the group number, 13 13 16.

Who is Georgie Plane?

Georgie is a member of our reception leadership team and holds the title Senior Reception Coordinator. Georgie works at our Carrum Downs practice alongside our dentists, specialists, hygienists and nursing team. Georgie is not a clinician, so this page does not list dental qualifications. If you want to know about a dentist or hygienist, you can read their own team profile, which lists the qualifications shown on our team page.

What does our reception team help with?

At Core Dental our reception teams look after the practical side of your visit. This includes:

booking, changing and confirming appointments, including back-to-back family bookings at Carrum Downs

helping you arrive prepared, including what to bring to a first visit

explaining how we quote before treatment starts

talking you through interest-free payment plans and HICAPS on-site claiming for private health cover

helping eligible families with bulk billing under the Child Dental Benefits Schedule

Clinical advice always comes from your dentist or specialist after an examination. Reception staff can pass on your questions to the clinical team.

Where do you see Georgie?

Georgie works at Core Dental Carrum Downs , at 335 Ballarto Rd, Carrum Downs VIC 3201, near Carrum Downs Shopping Centre. We serve families across Carrum Downs, Frankston and the Mornington Peninsula. The practice has plenty of on-site parking, ground-floor access, wide corridors and accessible treatment rooms for patients with mobility needs. Our hours are Monday to Friday 8.00am to 6.00pm and Saturday 8.00am to 1.30pm.

How do you check a dental practitioner on the AHPRA register?

Dentists, dental hygienists, therapists and specialists must be registered with the Australian Health Practitioner Regulation Agency (AHPRA). You can search the public register at ahpra.gov.au using a practitioner's name. Reception and management roles are not clinical roles, so you would not look for

them on that register. Our team page lists the qualifications for each of our clinical team members, and our reception team can tell you who will be treating you.

What can you ask us before your appointment?

When you call or book online, it helps to tell us:

what the concern is, and whether you have any pain or swelling

whether you are using private health cover, so we can plan your claim

whether you would like to book other family members at the same visit

whether you have any access needs or feel anxious about dental visits

You can also ask for a written quote before treatment starts, and ask about payment plan terms. Our team will explain what is included.

Who else is on our Carrum Downs team?

Georgie works with Racqueal Kosakiewicz , Senior Reception Coordinator at Carrum Downs, and with our clinical team there, including Dr Tristan Balthazaar , Dr Amreen Hussain , Dr Angel Babu , Specialist Paediatric Dentist, and Alessio Pecorella , Dental Prosthetist. Please confirm which clinician is available when you book.
