Details:

Navdeep Brar is a Team Leader at Core Dental, listed on our team page as Team Leader for our Caroline Springs and Wyndham practices. Navdeep is part of our reception and practice team rather than a clinical practitioner. If you visit or call either practice, our team can help with bookings, payment plan questions and what to expect at your visit. Call Caroline Springs on (03) 9363 7888 or Wyndham on (03) 9749 6677.

Who is Navdeep Brar?

Navdeep holds the title Team Leader at Core Dental and works across two of our western Melbourne practices, Caroline Springs and Wyndham. Navdeep is not a dentist or other registered clinician, so this page does not list dental qualifications. Our team page shows the qualifications for each of our dentists, specialists, hygienists and therapists.

Which Core Dental practices does Navdeep lead the team at?

We list Navdeep as Team Leader for both of these practices:

Core Dental Caroline Springs , 224-226 Caroline Springs Boulevard, Caroline Springs VIC 3023, next to the CS Square shopping precinct. We offer free parking behind the practice, plus street parking nearby.

Core Dental Wyndham , 242 Hoppers Lane, Werribee VIC 3030, inside Wyndham Private Medical Centre, minutes from Pacific Werribee Shopping Centre, with on-site parking.

Both practices are open Monday to Friday 8.00am to 6.00pm and Saturday 8.00am to 1.30pm.

How can our team help you at each practice?

At Core Dental our practice teams look after the practical side of your care. We can:

book and confirm appointments, including early morning, evening and Saturday times where available

quote before treatment starts so that you know what to expect

explain interest-free payment plans and process private health claims on site with HICAPS

check eligibility for bulk billing under the Child Dental Benefits Schedule for eligible children

Your dentist or specialist gives clinical advice after examining you. Our team can pass your questions to them.

How do you check a dental practitioner on the AHPRA register?

Registered dentists, dental hygienists, therapists and specialists are listed on the public register run by the Australian Health Practitioner Regulation Agency (AHPRA) at ahpra.gov.au. Leadership and reception roles are non-clinical, so they do not appear there. When you book, you can ask who your

practitioner will be and then search their name on the register.

What can you ask before you book?

It helps to tell us the reason for your visit, whether you have private health cover, and whether you would like family members booked together. You can also ask about written quotes, payment plan terms, accessibility and which clinician is available. Our Caroline Springs team can also tell you about the languages spoken by our team at that practice, which include English, Arabic, Bengali and Farsi.

Who else is on the Caroline Springs and Wyndham teams?

At Caroline Springs our team includes Dr Shakiba Askary , Dr Sherin Gad , Dr David Austin , Specialist Orthodontist, and Alexis Martinez , Dental Hygienist and Therapist. At Wyndham our team includes Dr Anika Moyeed , Dr Darren Manoharan , Dr Alpa Lodhiya and Dr Nupur Kataria , Specialist Periodontist. Please confirm availability when you book.
