Our reception team looks after the front desk and the first contact you have with Core Dental. In our practices this includes:

answering calls and helping you book, change or confirm an appointment

welcoming you and your family when you arrive

explaining how we quote before treatment starts

explaining our interest-free payment plans and HICAPS on-site claiming

passing your questions on to our dentists, hygienists and nursing team

Reception staff do not provide clinical advice. If you have symptoms or a concern about your teeth, our team will arrange an appointment so that a registered practitioner can examine you.
